

## Read the Bible in 2016

Developed by Dr. Ray Mondragon, **Chafer Theological Seminary**

Note: By reading **25** chapters (~100 minutes) per **week**, you can read through the entire Bible before the end of November (~80 hrs total). These are goals for each week ending on Saturdays (left column). It gives you the flexibility to set your own weekly schedule. Beginning in October there is room in the schedule for you to add a repeat read of books you have already read, such as a Gospel, or Romans, Ephesians, Isaiah, Jeremiah, or whatever text of Scripture you wish.
